GEO. MILLAR CAMP VETERANS WILL MEET THIS EVENING

Complete Roster of Houghton and Calumet Companies at Time of Close of War—Meeting in Village Hall This Evening to Arrange Details of Proposed Reunion of Next Year.

A meeting is to be held this evening in the village hall of the members of George Millar camp, Spanish-American War Veterans. At this time preparations and preliminary plans will be made for the reunion which is to be held by the veterans some time during the coming year in Houghton. A large number of the members of the two companies from Houghton and Calumet will be in attendance. A number of committees to look after the different details for the reunion will be named.

The fact that a reunion of the veterans will be held next summer, makes the complete roster of the two companies interesting. The list of the members of the companies is secured from a manuscript published in 1900 when the soldiers returned from the war. Included in the roster of the Calumet and Houghton companies are the names of many deceased soldiers, killed in the trenches or on the battlefield or who have died since their return home. The complete list is as follows:

TRINITY CHURCH CAMPAIGN FOR \$10,000 HAS BEGUN

Rev. J. E. Curzon, Pastor of Houghton Trinity Episcopal Church, Soliciting Funds With Which to Complete Work on Interior of New Church—About One-Fourth of Amount Needed is Pledged.

An active campaign for funds with which to complete the interior of Trinity Episcopal church of Houghton has been begun by Rev. J. E. Curzon. Ten thousand dollars will be needed to do all the work necessary and solicitations for different sums are now being made by the pastor. It is understood that in the neighborhood of one-fourth of the amount needed has already been pledged.

The work which remains to be done on the church is all in the interior of the church proper. Pews have to be purchased and installed and windows are also lacking. All the interior wood work finishing also remains to be done. Over \$28,000 have already been expended on the building so that when it is completed Houghton will have a church valued in the neighborhood of \$48,000. Services are now being held in the basement and have been for the last two years.

A meeting of the parish has been called by the pastor for the evening of Nov. 15 in the church parlors. At this time, plans and preparations will be made for a thorough canvass for funds.

Work on the church was begun about three years ago. An altar was contributed some time ago by Mrs. C. D. Sheldon and Mrs. John D. Ryan. This will be installed as soon as the church is entirely completed.

EDUCATIONAL MEETING.

The meeting of educators of Houghton and Baraga counties, held in the Central school building, was well attended this morning. A large number of the school trustees from L'Anse and Baraga were in Houghton for the day and listened to addresses by Hon. Luther L. Wright and Fred Keeler of Lansing. Mr. Wright and Mr. Keeler are respectively state superintendent and deputy superintendent of public instruction. At the meeting of this morning over one hundred people were present. The sessions are to be continued this afternoon and addresses will be made by different educators.

TAX COMMISSION'S JAUNT.

The state tax commission, Robert H. Shields of Houghton, president, left Detroit today for a three days' trip over the lines of the Lake Shore & Michigan Southern which believes that its assessment is too high. On the trip the members of the commission will be accompanied by a number of officials of the railroad. The trip is to be made in a special train consisting of a diner, smoker and sleeper.

INDOOR BASEBALL TEAMS.

A meeting of the representatives of the indoor baseball teams, which compose the South Range league, will be held at South Range this evening at which time the organization of the league for the coming winter will be perfected. At a meeting last evening the members of the Atlantic team named John Hanley, Fred Kroll and Robert Weisen as delegates to represent them at the meeting. Teams, which will be represented in the league this season, are Painesdale, Trinitountain, Battle, South Range and Atlantic. The prospects for the coming season are very bright.

A son was born recently to Mr. and Mrs. Frank Riddart of the Atlantic mill.

ONE DOSE RELIEVES INDIGESTION, GAS, HEARTBURN OR HEADACHE FROM STOMACH

Get Some Diapiesin and Take a Little at Once—Relief in Five Minutes Awaits Every Man or Woman Who Suffers From a Bad Stomach—Hundreds of Calumet Folks Will Find a Prompt Cure.

Why not get some now—this moment, and forever rid yourself of stomach trouble and indigestion? A dieted stomach gets the blues and grumbles. Give it a good start, then take Pape's Diapiesin to start the digestive juices working. There will be no dyspepsia or belching of gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and dizziness, and your food will not ferment and poison your breath with nauseous odors.

Pape's Diapiesin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate

case of indigestion and upset stomach in five minutes.

There is nothing else better to take gas from stomach and cleanse the stomach and intestines, and, besides, one single dose will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

When Diapiesin works, your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolute relief from all stomach misery is waiting for you as soon as you decide to take a little Diapiesin. Tell your druggist that you want Pape's Diapiesin, because you want to become thoroughly cured this time.

Remember, if your stomach feels out-of-order and uncomfortable now you can get relief in five minutes.

FOOTBALL GAMES FIRST.

No Arrangements Will Yet be Made for High School Oratoricals.

No arrangements will be made or any dates named for high school oratoricals until the completion of the high school football schedule. This was the announcement made by Supt. J. A. Doelle of the Houghton school yesterday afternoon when questioned as to the coming oratorical contests. The last football game for the championship must be out of the way before any preparations are made for the convenience of the orators. Although no concessions should be made at the present moment, it seems as if Calumet will have everything its own way in the copper country oratoricals this year. The ease with which the representatives of the Calumet high school captured both honors for declamation and oratory last year shows that the school is capable of developing winners along oratorical lines.

The Houghton high school football eleven leaves Friday afternoon for Menominee where it will play the high school team of that place Saturday afternoon for the right to play Ishpeming in the final game for the upper peninsula championship. The final game will take place a week from Saturday, the place depending on the result of Saturday's contest. The following line-up will be presented by Houghton in Saturday's battle: Center, Cochran; right guard, Kutschke; left guard, Warmington; right tackle, Sullivan; left tackle, Rogers; right end, E. Haug; left end, R. Pryor; quarterback, G. Edwards; right halfback, H. McCurdy; left halfback, L. Haas; fullback, Anderson. Other people who will accompany the players to Menominee are Penberthy and all substitutes, Coach Taggart and Manager W. Bials. A few of the supporters of the team will also go to Menominee to witness the contest.

BARAGA MAN A SUICIDE.

Despondent, because of poor health, Louis T. Headworth, superintendent of the village light and power plant at Baraga, shot and killed himself with a rifle. He was aged 40 and leaves two sons.

ART LEAGUE ORGANIZATION.

The branch of the Copper Country Art league in Houghton has been perfected. At a recent meeting of the members of the society, the following were chosen as permanent officers: President, Mrs. A. T. Streeter. Vice president, J. A. Doelle. Secretary, Miss Glanville. County Agent Mason returned recently from Lansing where he placed several children from Houghton county in the state industrial school.

OCTOBER WEATHER SUMMARY.

Past Thirty Days Have Been Generally Cloudy in This District.

The past month has been a dark and gloomy one in the copper country according to the monthly meteorological summary prepared by Weather Bureau Observer A. Wiesner. Of the thirty-one days, only six were clear according to the report, seventeen being entirely cloudy and eight partly cloudy.

The highest temperature recorded at any one time was eighty-five on the seventh of the month and the lowest point the thermometer reached was freezing, 32, on both Oct. 27 and 28. The mean maximum temperature for the month was 51.7 and the minimum, 38.8. The mean temperature for the month was 45.2. The greatest daily range of temperature occurred on Oct. 6. The least daily range was on the 12th of the month when the thermometer fluctuated only three degrees. The weather during the month was five degrees cooler than last year when the mean temperature was fifty degrees. The precipitation during the past month was 2.53 inches, a snowfall of 4.7 inches being recorded.

OPENING LIBRARY DELAYED.

Workmen Held Up and the Opening of Institution is Delayed.

Houghton's new public library will not open on the 15th of the month as was expected. Considerable delay has been experienced and the workmen have been held up on account of the failure of material to arrive.

Miss Grace A. Whare, who has been engaged to act as librarian, will arrive in Houghton Nov. 16. A great deal of preliminary work will be done by Miss Whare before the opening of the library.

As soon as the building is finished the work of removing the books in the public schools to the new structure will be started.

MANY DEER LICENSES.

Four hundred deer licenses have been issued by the county clerk to date. If the record of last year is equaled, more than thirteen hundred hunting permits remain to be distributed. The licenses will be issued from now on until the last day of the month when the season ends. It is expected that the biggest rush for licenses will begin next week when the opening of the season takes place.

ARRESTED IN HOUGHTON.

Deputy Sheriff J. T. Conroy of Munising, son of Sheriff Conroy of Munising county, arrived in Houghton yesterday in search of Alfred Hodgkins of Munising. Hodgkins was charged with larceny, he being driver of a stage between Munising and Whitmore. It is said he absconded with \$25 in fares collected. He left Munising Aug. 29. Word was sent to Sheriff Byers that he had been traced to Houghton county and Deputy Sheriff Carroll was placed on the trail of the fugitive. He landed here early this morning at South Range. Deputy Sheriff Conroy leaves today for Munising with his prisoner.

NAVIGATION NEARING END.

For Only One More Month Will Boats Be Coming Here.

Navigation in Portage Lake for the year of 1909 is rapidly drawing to a close. The time of the closing of navigation varies from the first of December to the middle of the month. There is no longer any passenger trade through Portage Lake. The Tionesta and Juniata, the big Anchor line boats, are carrying only freight at the present time, the passenger traffic having been discontinued some time ago. The other freighters of that line are still running and all these boats will be kept in commission until it is impossible to make headway through the ice.

BOATHOUSE FOR FERRY.

Accommodations Being Provided for House of Launch Bunker Hill.

Accommodations are being provided at Ripley for the ferry boat Bunker Hill, which has been running for the past two months between Ripley and Houghton. A boathouse is to be built on the Ripley side of the lake, the pile driver owned by Henry F. Key already having prepared the foundation of piles. The good ship has suffered more or less during the past summer from bad weather and was put out of commission several times by severe storms on the lake.

It is possible that other accommodations in the way of waiting rooms for the patrons of the ferry will be provided and everything possible done to make the trip more comfortable and convenient for those desiring to cross the lake.

The ferry will be continued till such a time as it will be dangerous to run the boat through the ice. William Tregonning, proprietor of the line, states that the enterprise has been entirely successful.

HOTON BREVITIE.

A suit for separate maintenance was begun yesterday morning in circuit court by Mrs. Riel of Hancock against her husband charging him with non-support.

Bernard L. Baer of Hancock has accepted a position as mail carrier in Houghton, filling the vacancy made by the resignation of Will Thebo.

The reception to Rev. and Mrs. F. B. Knowles is to be held this evening in the parlors of the Presbyterian church. A farewell will also be made to Rev. J. M. Linn this evening, he leaving tomorrow for Florence, Wis., to take charge of a Presbyterian church there.

County Agent Mason returned recently from Lansing where he placed several children from Houghton county in the state industrial school.

Marriage licenses have been issued by County Clerk Richardson to George Dighera and Maria Conigliacco, both of Calumet; John Conia and Theresa Cyriffe, both of Laurium; John P. LaRoché and Sophia Harbour, both of Houghton.

Attorney J. E. H. O'Brien, Legende and A. E. Peternann were in Houghton yesterday, attending the session of circuit court in charge.

Fred Labiesonere of Winona has gone to Marquette where he has accepted a position in the machine shops of the Longyear estate.

The funeral services over the remains of Mrs. John Gingham of Trinitountain were conducted yesterday in the Atlantic Catholic church. Interment was made in Forest Hill cemetery, Houghton.

The members of the social club of Painesdale are arranging for their annual Thanksgiving party which will take place in the library hall Nov. 30.

After residing in Atlantic for the past fifteen years, Mr. and Mrs. F. A. Jeffers have changed their place of abode to Painesdale.

Jacob Jarvis, Jacob Holmud and Dr. L. M. Power of South Range will leave in a few days for Ontonagon where they will hunt.

A regular monthly meeting of the village council of South Range is to be held tomorrow evening in the South Range village hall. Various matters pertaining to the regulations controlling the village water system are scheduled for attention.

Will Cundy, who, since last August, has been under the care of a surgeon in Calumet for a fractured leg, has sufficiently improved to be removed to his home in Houghton.

UPPER PENINSULA

Shoots and Kills Himself.

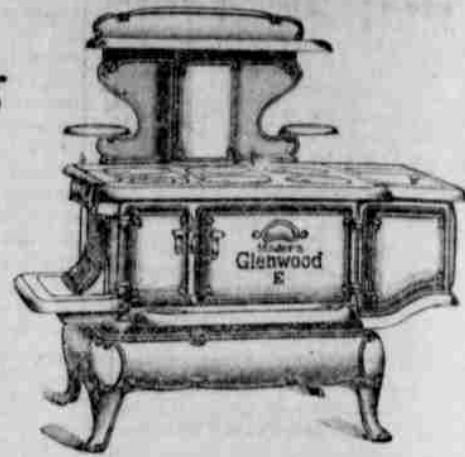

William O'Donnell, of the firm of O'Donnell and Little, general merchants of Stephenson, Menominee county, was accidentally killed late last week while cleaning a rifle preparatory to going on a hunting trip. The bullet entered the right side of his head. The fatal accident occurred at the home of the young man's mother. The deceased was about thirty-five years old and single. He resided with his mother and two sisters. Previous to engaging in business with his partner, Mr. Little, he had charge of the store of Crawford and Sons at Cedar River for several years.

A NOVELTY IN WARFARE

MEN OF THE SPANISH TROOPS AT MELILLA USING SLINGS FOR THROWING EXPLOSIVE GRENADES.

Melilla, Nov. 2.—While the world is endeavoring to solve the problem of effective offensive warfare by airships, it is a strange coincidence that on the frontier of the only battlefield in the world now active, airships are not being used to any great extent and balloons are only being used for signaling purposes. The one thing which is being used as a novelty and is being found effective is not a new invention, but the use of the old primitive sling. Thus in the land of Xenophon's conquest, where his slingers

played so important a part in the warfare, today Spain is using the same sling, but with a new invention which makes it far more effective. Instead of throwing stones as did Xenophon's warriors, small bombs especially prepared are fired by the Spanish troops against the Rifians, and in the hands of experienced slingers they have become one of the most deadly and fatal weapons of offense.

Forty men of the Chicala battalion were chosen to wield the slings, and owed their novel position to the fact

that they came either from the Bouda mountains region or from among the hill dwellers of Toledo and Estramadura—that is to say, from districts whose people are accustomed to the use of the sling. Speaking of new weapons, it may be recalled that the Moors have been turning grain beer and curcuma bottles into bombs.

It would not be strange if the world powers took up this novel means of warfare and trained certain of their troops to the use of the sling.

one of the best amateur pitchers in the country. During the vacation season, he affiliated with one of the Menominee range teams. Mr. Spalding succeeded his father, the late Jesse Spalding, as a director of the Commercial bank of Iron Mountain and held that position until a year ago.

Curfew for Escanaba Children—

Curfew regulations are now being enforced at Escanaba. Steam whistles are blown. Every evening from now on the curfew will be sounded at 8 o'clock and children found on the streets after that hour, unless attended by their parents, are to be arrested and dealt with legally. The deplorable criminal cases heard in circuit court during the past week has stirred the chief and the authorities to definite action. Young women just budding out of tender girlhood and youths still young in the ways of the world can no longer roam the streets of Escanaba after dark.

Local Option Petitions Denied—

The proposition of closing the saloons will not be submitted to the people of Mackinac county. The local option petitions have been denied by the board of supervisors. The vote was ten to five. The petitions were signed by 737 persons, or sixty-four more than the required one-third of the electorate, but when investigated by a special committee they failed to pass muster in many respects, with the result they were declared insufficient by a wide margin. The matter was hard fought before the board, both sides represented by attorneys.

Damage Suit Is Dropped—

The \$5,000 damage suit for alleged malicious prosecution which Victor Johnson of North Escanaba brought against the Rev. C. A. Lund over a year ago has been discontinued by the plaintiff, who pays all the costs incurred. This case grew out of the arrest of Johnson on a charge of violating the liquor law, the complainant being the clergyman. The liquor dealer was discharged upon his examination, and the damage suit followed. The case was followed up by friends of Mr. Lund and they are said to have succeeded in getting several witnesses, in addition to those produced at the examination of Johnson, who were ready to swear that they were in the saloon the same Sunday as charged.
